The screenshot shows the 'Genomic Test Kit Order Form' on the infoJersey website. At the top right is the 'infoJersey' logo. Below it is a navigation dropdown menu with '--Navigation--' and a dropdown arrow. A shopping cart icon with '0' is visible. The form title is 'Genomic Test Kit Order Form'. It has two columns for contact information: 'Genotyping Requested By:' and 'Billed To:'. Each column lists 'CUSTOMER NUMBER', 'NAME', 'MAILING ADDRESS', and 'CITY STATE ZIPCODE'. Below this is a 'Customer History' link and a text input area with the instruction: 'Type or paste the animal's registration number, name, tattoo or eartag number. Enter only one animal per line.' The bottom section is titled 'Select your chip type and add-on tests for these animals.' It contains two columns of radio and checkbox options. The 'Chip Type' column has three options: 'LD (8K v2)' (selected with a radio button), 'HD (80K)', and 'Add-On Only'. The 'Add-On Tests' column has four options: 'BVD-PI', 'Beta-casein A1/A2', 'Polled/Horned', and 'Freemartin (Requires Chip Type)'. A 'Continue' button is located at the bottom right of the form area.
