## Instructions for Completing Applications for Registration

*Complete form in ink. Applications are processed in order received. To avoid extra fees for rush work, register on [www.InfoJersey.com](http://www.InfoJersey.com).*

1. If assigned, enter the American I.D. number of the animal in the box at top right, or paste sticker accompanying approved eartag over the box.
2. Indicate sex of animal by checking appropriate box.
3. Fill in first and second choice names you would like used. Names cannot exceed 27 letters in length, including spaces. Indicate whether or not the Association can choose a name if your suggestions are in use.
4. Give exact month, day and year of birth.
5. Enter the permanent ID of this animal, either as (1) tattoo in one or both ears, or (2) Association-approved eartags in both ears. **(1) If the animal is identified by tattoo(s)**, the tattoo must contain at least one letter and one number. Not more than seven letters and numbers may be used in one ear. The letters I, O, Q and V may be used ONLY if accompanied by an additional letter in the same ear. **(2) If eartags are used for permanent ID**, the animal must be identified by Association-approved tags in both ears. Approved tags are Allflex Tamperproof™ American ID Ear Tags. Enter the herd management number in both boxes, or apply tag sticker. *Note: No two animals of the same sex in the same herd may have the same tattoo or approved permanent ID eartags.*
6. Indicate if the animal is a twin, and give sex of the twin. Females born twin to a bull must have a negative freemartin bloodtest, or have a veterinarian certify normal reproductive capacity before the application will be processed.
7. If animal is born a natural poll, please check.
8. If animal is the result of embryo transfer, indicate this by checking appropriate box.
9. List complete registration name and number for the animal's sire and dam.
